

Job Posting – Management Consulting Analyst

NewGen Strategies and Solutions, LLC (NewGen) is a management and economic consulting firm specializing in serving public and private sector utilities. We provide financial, cost of service, rate design, valuation, strategy, expert witness, stakeholder, and sustainability consulting services to our clients. NewGen has approximately 35 employees in 10 offices nationwide.

Job Purpose

The purpose of a Management Consulting Analyst is to manipulate, interpret, and analyze data in support of client engagements. The Management Consulting Analyst will innovate and create user-friendly, custom models that evaluate utility financial, technical, and operational data. Model outputs will include sophisticated reports, charts, and graphs that demonstrate insight and result in actionable plans. The successful candidate will work directly with Senior Consultants and clients to diagnose issues and collaboratively design realistic solutions.

Proven performance will result in advancement in consulting responsibilities within the firm.

Duties and Responsibilities

A Management Consulting Analyst will be responsible for gathering and analyzing information, formulating and testing hypotheses, and developing and communicating recommendations. A successful Analyst will have the opportunity to present results to client management and implement recommendations in collaboration with client team members. Analyst will gain new skills and build on the strengths they bring to the firm while receiving frequent coaching and mentoring from colleagues and their local office Partner.

Qualifications

The successful candidate will have the following qualifications:

- Undergraduate or master's degree. Business or related fields preferred.
- Demonstrated aptitude for analytics
- Exceptional analytical and quantitative problem-solving skills
- Proven record of leadership in a work setting and/or through extracurricular activities
- Ability to work collaboratively in a team environment
- Ability to work effectively with people at all levels in an organization
- Ability to communicate complex ideas effectively – both verbally and in writing – in English
