

## Management Consulting Analyst–Intern

At NewGen Strategies and Solutions, our vision is to be the consulting company that makes a difference for our clients, our employees, and our community. Our values include making an impact, fostering innovation, expecting quality, cultivating community, and serving as a trusted advisor to our clients and community. We are searching for a detail-oriented Management Consulting Analyst–Intern to join our team in our Brentwood, TN office.

### Job Purpose

---

The purpose of a Management Consulting Analyst–Intern is to manipulate, interpret, and analyze data in support of client engagements. Some examples of the specific work may include building financial models, creating and delivering presentations, and working with colleagues to develop perspectives and insights for the industry we serve. The successful candidate will work directly with Senior Consultants and clients to diagnose issues and collaboratively design realistic solutions.

Our Intern program serves to give undergraduate and graduate students first-hand experience with consulting at NewGen. At the end of the program, there may be an offer to join us as a full-time Management Consulting Analyst upon graduation.

### Duties and Responsibilities

---

The Intern will be responsible for gathering and analyzing information, formulating and testing hypotheses, and developing and communicating recommendations. A successful Intern will have the opportunity to present results to client management and implement recommendations in collaboration with client team members. The Intern will gain new skills and build on the strengths they bring to the firm while receiving frequent coaching and mentoring from colleagues.

### Qualifications

---

The successful candidate will have the following qualifications:

- Pursuing an Undergraduate or Master’s degree. Emphasis in Finance preferred
- Demonstrated aptitude for analytics
- Advanced experience with Microsoft Excel, and familiarity with Power Query and Power Pivot
- Exceptional analytical and quantitative problem-solving skills
- Proven record of leadership in a work setting and/or through extracurricular activities
- Ability to work collaboratively in a team environment
- Ability to work effectively with people at all levels in an organization
- Ability to communicate complex ideas effectively – both verbally and in writing – in English
